Annwyl rieni / gwarcheidwaid,
Fel y gwyddoch, mae yna ddatganiad gan y gweinidog addysg yn nodi bod y gwyliau Pasg yn cael ei symud ymlaen pythefnos, i gychwyn dydd Gwener yma. Ymddiheuriadau nad oes gennym ragor o wybodaeth i chi ar hyn o bryd, ond o ganlyniad i'r gweinidog addysg yn gosod y datganiad yn uniongyrchol ar wefan y BBC cyn rhoi gwybod i ysgolion a chyngorau lleol, nid oes strategaeth ffurfiol sirol wedi cael ei rannu gyda'm ni eto. Rydym yn disgwyl fod hyn i'w ddilyn yn fuan iawn.
Fe wnavn roi gwybod i chi fel rydym yn derbyn gwybodaeth bellach
Yr wyf yn ymwybodol bod y cyfnod yma'n anodd iawn i bawb ond yr wyf yn hyderus y bydd ein cymunedau yn gwarchod a cheisio rhoi'r gofal gorau i'n gilydd lle bo hynny'n bosib.
Cadwch yn ddiogel.

Dear Parents / Guardians

As you are aware, the Secretary of State for Education in Wales has just made a statement noting that the Easter holidays have been officially brought forward two weeks to this Friday, 20th March. We apologise that we don't have any further information with regards to this decision, but due to the Secretary of State publishing the statement direct to the BBC website before informing schools and Local Authorities, no formal local strategy has been shared with us at this time. We are expecting further details to reach us imminently.

We will notify you as soon as we receive any and all further information.

*I am aware that this is an extremely difficult time for everyone; I am confident that all members in our communities will support each other to the best of our ability
Keep safe*

Lynne Jones.
